Dear parents/guardians of Secondary 1 – 3 students

Online Remediation Lesson for Secondary 1-3 Students (20 May – 1 June 2020)

1. In our letter dated 4 May 2020, we had shared with you that subject teachers will be conducting online remediation lessons from 20 May–1 June for our Secondary 1-3 students. The school has always been providing this academic support for our students during the mid-year holidays and will continue to do so this year as well.
2. Subject teachers will inform identified students to attend the online remediation lessons. These online sessions are meant to help students bridge learning gaps that came about during Home-based Learning (HBL) as surfaced by the subject teachers as well as based on the feedback from students via a survey the school conducted with all Secondary 1-3 students.
3. Should your child have been identified for the online remediation lessons, you will be receiving another letter from the school on 18 May to inform you of the subjects your child has been identified to attend online remediation for.
4. Identified students should attend the online remediation on the scheduled day and at the scheduled time as it is important that learning gaps are addressed in a timely manner before students return to school for Term 3.
5. Please refer to the school website for the schedule of the online remediation lessons at <https://www.jurongwestsec.moe.edu.sg/staff-n-students>
6. For students who were not identified for the online remedial and/or consultations from 20 May – 1 June but would like to join the online remediation session or meet their subject teachers online to consult them or clarify any doubts separately, they can inform their respective subject teachers and their subject teachers will arrange to meet up with them online.
