7 School Terms and Holidays

Please refer to MOE's Website (moe.gov.sg/news/press-releases/20240812-school-terms-and-holidays-for-2025) for School Terms and Holidays for 2025. Our school calendar will be uploaded on the school website by the end of first week in January 2025.

Please note that attendance in school is crucial for our students' holistic learning and development. The school takes a serious view of any wilful absence from school. Absence without valid reasons will have a direct impact on the student's conduct grade and testimonials.

8 Temperature-taking Exercise and Social Responsibility

Please note that a temperature-taking exercise will take place on 15 Jan 2025 (Wed). This is part of the school's continued vigilance and preparedness against any infectious diseases. Our students will be required to have with them functioning oral digital thermometers as part of the exercise.

JWSS is committed to inculcate social responsibility among our students as well as maintain a safe place of learning for them through high standards of hygiene. As such, students who are unwell, especially with flu-like symptoms such as fever or cough, should seek medical attention and not come to school. Together with your continuing support, JWSS will remain a healthy and safe environment for our students.

9 CCA Open House 2025

Co-Curricular Activities (CCAs) are an integral part of the students' lives in secondary schools. It is also mandatory for all students to have a CCA. To help students make an informed decision on their choice of CCA, a CCA Open House will be organised on 8 Jan 2025 (Wed). All Secondary One students will be able to indicate three choices of their CCA.

The details of the 2025 CCA Open House are as follows:

If your child/ward is not eligible to take HMTL based on the PSLE results but meets the school-based eligibility criteria, an offer would be made by the school for your child/ward to take HMTL.

12 Talent Development Programme (JeWel)

JeWel, the school's signature Talent Development Programme, offers enriched and customised training and programme areas in four domains – Communication (English), Innovation (STEM), Physical (Sports) and Aesthetics. Students will further explore their interests and strengths at more advanced levels of learning to enable them to pursue their passion at deeper levels. Enrolment into the **JeWel** programme is based on the student's talent and passion as well as academic results in the respective subject areas.

Secondary One students with a total PSLE AL Score of 14 or below will be offered direct admission into at least one JeWel Programme. Students who do not meet the above criteria for direct admission to the TDP based on PSLE results still stand a chance to be offered entry into the programme based on their performance in the first year.

Secondary One students eligible for **JeWel** in Communication (English) and Innovation (STEM) will receive a notification via PG. They will be receiving the letters of offer from their Form Teacher in the first week of school. Letters of offer for Physical (Sports) and Aesthetics **JeWel** will be given to eligible students by end of January 2025. Our students will have opportunities to develop their talents and interests in other areas of **JeWel** programmes throughout their course in JWSS.

14 Parent Support Group (PSG) Membership

The PSG is our valued partner in education that complements the school by supporting the school's objectives to improve our students' well-being and learning educational experience. The PSG listens to parents' feedback on school operations, practices and programmes and provide feedback to the school. The PSG also facilitates the school's communication to parents. Parents who are actively involved in the PSG are better able to reach out and engage other parents. Over time, more parents will have the opportunities to contribute and help make the school environment a more conducive place for learning.

We would like to strongly encourage all parents to be members of the PSG. Please indicate your interest to be part of our PSG at the following link <https://tinyurl.com/JWSS-PSG> by 10 Jan 2025 (Fri) and our school's PSG will get in touch with you.

15 School Smart Cards (SSCs)

Students can continue to use their primary level SSCs till Apr 2025. New secondary level school smart cards will be delivered to the school by end Mar 2025. Students can still purchase the Bus Concession Pass (BCP) using their primary level SSCs but they would need to purchase the BCP for Secondary School students.
